We hope you'll enjoy our latest Bruford & Carr catalogue and that it offers timely inspiration for your Christmas 2023 present buying requirements. The catalogue shows our usual wide range of carefully selected pieces, including unique vintage items on the front cover and back page, as well as stylish contemporary and traditional classics throughout. Our focus, as always, is to provide outstanding value across a range of budgets and to support this with impeccable customer service.

Please remember that many items are unrepeatable or take some time to restock - the earlier an order is placed, the less chance there is of disappointment. If an item of your choice is not available, we're always happy to find an alternative.

Due to space constraints metal descriptions have been abbreviated, YG for yellow gold, WG for white gold and RG for rose gold. Chains are included within the price of a pendant only when stated, they can be supplied separately in white or yellow gold (standard weight, 16" length) at £150 for 9ct and £250 for 18ct. We're happy to provide further details on request.

The majority of customers contact us by telephone or email to make use of our mail order service. This includes complimentary next day delivery throughout the UK, gift wrapping on request and our usual 'satisfaction guarantee' - should recipients not be completely satisfied, an item can be part-exchanged or refunded in full, providing it is returned within a reasonable time. You can also order direct through our website.

For those wishing to view specific items in person, please visit the Heming store at 10 Piccadilly Arcade. Please remember that only a finite number of pieces fit in our catalogues - we carry a comprehensive range of similar pieces and continue to offer a host of traditional services, including bespoke design, valuations, repairs, engraving and pearl restringing. We would be delighted to assist you with any enquires you may have.

Prices will be held until 8th January 2024.
